Copy of PublicEntity Worksheet EPACostmodel 2013.xlsx  
NutrientStandardGuidance July2014.pdf

Hey Jeff,

MT's Guidance document (pdf attached) mentions a 2014 version of your spreadsheet (Public Entity worksheet). I currently have a copy of the 2013 version but was hoping to get a copy of the 2014 version. Could you please email that file to me please? Thanks!

Tina
